I've asked a question at Superuser, which asked about the question I am asking now. On that question, I asked a question, and asked for help how to fix the problem of having unwanted whitespace and line breaks between pages in beamer. I have tried different solutions: Using the answers to the other question, I've tried using \setbeameroption[extra slides/notes/etc. page color] and \setbeameroption[background]. This didn't work for me either. Using an answer from the said question, I have tried using \setbeameroption[background inline]. This doesn't remove all the unwanted whitespace. There is still
