Hello! This is my first time visiting your blog. We are a team of volunteers and . . . Hello. I am a beginner blogger, I write a blog on the Blogun platform. Today I want to tell about myself. I am from Moscow. My blog was created in order to find friends who live in other cities, but would like to find pen pals. I have many friends who live in other cities, but we rarely see each other. I want to make friends with them. I like to read books, watch movies. I also do horseback riding, I really like it. I love to draw, but I don't always succeed.
