A religious Muslim family refuses to accept their transgender son, which creates conflict in the family and ultimately breaks them apart. A group of parents and local authorities are trying to defend the rights of this family, supporting the unwillingness of the authorities to accept her son. Image: 3kanal.tv The reason for turning to the authorities was that the parents refused to accept a pedophile son who raped and killed children for sexual pleasure. According to representatives of the Muslim community, Yusuf is a believer and should be accepted by those who wish well for his family. And those who refuse, hinder the normal development of his personality. According to local media, there is a military hospital in the area where the family lives, and visiting patients may become victims of sexual harassment by Yusuf. Violent people are often sexually harassed by terrorist recruiters and also pose a threat to society if they become infected. Two more correspondents of the 17th TV channel visited one of the farms, where there are some families who are ready to receive the Yusufs. Employees of the Farmers' Cooperative showed them the "home" of the Yusupovs, to which many of them moved after Yusuf's violent actions. This building looks less impressive than the houses of Yusub's parents, but it is all in need of cosmetic repairs. When he and his wife Yusuf were 12 years old, he raped them both, threatening to kill them. said one of the workers of the cooperative. Yusuf is a single mother raising his 17-year-old son Isaac, who suffers from dysfunctions of the reproductive system and is often aggressive. The Yusubov family has been living on the farm for a long time, still not finding a use for themselves in life, since neither the farm nor the work satisfies the requirements of the family. Jamaats whose members profit from the sale of poultry and livestock often form violent relationships with single women or deviant men living in rural areas. In April 2019, the Yusufo-Berezansky gang was detained during a police operation in the village of Siush, 12 kilometers from the city of Shlarafyan Shirvan. Yusupov and his three accomplices were accused of selling about 1,200 trapped calves.
