### What's New in the?

MajorRadio is designed to allow you to listen to internet radio stations -

---

with zero limitations and at your own pace. A large and easy to search collection of radio stations live streams from around the world. MajorRadio is the best choice for dance clubs, bars, restaurants, supermarkets, and of course home and office users. What makes MajorRadio unique is that it is, in fact, extremely easy to use. Just type in a search term or put in your favourite artist's name and press 'Search Radio'. From now you are listening to radio stations live right from your PC. There are no annoying or time consuming banners and there are no options to buy music online.

MajorRadio only promotes and pays music to a professional, usually cheaper, music service that is friendly and knows their users and the music they listen to. MajorRadio comes with a 30 day limited trial. To listen to the radio on your mobile phone, install the free MajorRadio Mobile app, open it and click on the orange arrow that says "Listen Now". MajorRadio
