How to play ELDEN RING: WELCOME Elm is an action RPG game in which you become the embodiment of Divinity by fighting against enemies and uncovering your past. PROLOGUE Years ago, Divinity, one of the most powerful Elden Lords, encountered a terrifying disaster of an unknown origin. Although his body was killed in the disaster, his soul was separated into two, only to appear in different places. For some reason, some of these souls were born as humans and mixed with the human races. Now, decades later, these Elden Lords have become powerful warriors who fight beside the humans to protect the human world and the Land Between. If one of these Lords' souls was born as a human, they have forgotten everything about their past. THE LEADING CHARACTERS

1. DONALD Donald is a no-nonsense, hot-tempered, heroic man. Of all the Elden Lords, he is the most eager to fight. When he was a human, he was a part of the Special Forces, a group of elite soldiers. He was most famous for his heroic actions that saved a girl, and had an excellent fighting sense. As an Elden Lord, he seems to have got stronger, but because he was the one to save a human, he has trouble remembering his past life.
2. KES As the daughter of the Yggdrasill, the Elden Lords who holds the power of Divinity within the Land Between, she had been protected from the evil powers, until she was killed by one of them. Although she was not present when the disaster occurred, as she was at the time, her soul was split and sent to various places. The split souls of KES, who had been made a demon, finally fused with her dead body. As she has a strong sense of justice, she vows to protect her master from the evil beings. She has a long history of battling demons and monsters.
3. CHARLIE She was the first-born daughter of the Yggdrasill, and has been living on her own since her father died. She has a sense of honor and was able to easily accept the responsibilities of the Yggdrasill. As she lost her father at a young age and was turned into a demon, she has a pure, innocent, and unworldly attitude. Charlie loves the human world, and also fights
