The story centers around a female heroine known as Inebu, who is a Time Shifter by the name of Inebu. Together with her friends, Inebu journeys towards her destiny of clearing the darkness. Her friends are apostles, who possess a series of supernatural abilities, and wield powerful elements called "Elements." ABOUT KADOKAWA CORPORATION Kadokawa Corporation is the parent company of Dengeki Bunko, the publisher of interactive books and magazines for young adults. It began its foray into publishing over 30 years ago with Dengeki, a monthly magazine for video games and anime. Over the years, the company has published thousands of manga and novels. The company also publishes magazines for a broader audience that cover sports, fashion, and comics. Currently, Dengeki Bunko's website has been at the forefront of the digital entertainment industry for many years. Dengeki's sister site, Cyber Shop

Elden Ring Features Key:

3D Fighters Watch the fight scenes in stunning 3D with your own character and weapons.
Dynamic Tactical Battles In the environments, follow the tactical actions of your own character's movements.

Real-time Battles Attack the enemies effectively with a wide variety of weapons and attacks.
3D Non-Target Irregular Battles Watch the attacks from the above and/or below angles!

Flash Praxis and It's Up to You Flash Praxis lets you attack and use special moves with your partner's attacks and defense. It's up to you to build up the damage.

Delay Skill Even if your offense or defense has been disrupted, the skill can still be used. After the skill recovers, all attacks will use the cooldown per enemy. It's up to you to keep your cool by efficiently using the extra damage to your advantage.

Strange Formation Upgrades By upgrading your partner, you can increase some of your character's bad points to have a much more dynamic character.

Google Translate Service Translate the letters on character pages and information tables in the Arcane/Beyond and the Prontera SR
