EA SPORTS FIFA 22 is the winner of a total of 16 nominations across the 12 categories of the 2018 Sports Game of the Year Awards presented by the Academy of Interactive Arts & Sciences, including Sports Game of the Year, Sports Game Innovation of the Year, Sports Game of the Year – Casual, Sports Game of the Year – Family, Sports Game of the Year – Mobile, Sports Game of the Year – Racing, Sports Game of the Year – VR, Sports Game of the Year – Simulation, Sports Game of the Year – Sports – Football, Sports Game of the Year – Sports – Soccer, Sports Game of the Year – Sports – Tennis, Sports Game of the Year – Virtual Reality, and Sports Game of the Year – Strategy. 1. FEATURES EA SPORTS™ FIFA 22 for Xbox One, PlayStation®4 computer entertainment system, and Origin™ app on Windows PC brings more than 180 million fans the best soccer videogame experience ever. Play the most realistic, complete football videogame with all new layers of gameplay detail that make the action and gameplay feel more authentic and responsive. Using data collected from 22 real-life players, you will feel every challenge as if you are controlling the players as they perform these intense high-intensity actions during a match. Whether you are trying to finish your shot with an on-ball action or collect a ball on the wing, you will feel what it's like to fight for every ball. Every player will behave exactly as they would in the real game, with real animation, and even the smallest actions will feel as natural and responsive as the player-controlled version. Use the new Elite Hunter System to get to the top of the game in FIFA 22. Challenge friends to online matches and build up your Hunter Level. Earn Elite Points and rewards by achieving daily and weekly goals as you progress. With more Elite Moves and animations available than ever before, you can be more expressive with your powerful shot, pass and dribble animations. FIFA 22 brings you more player types. Small, fast, quick, powerful and aggressive – there are a number of different moves within each player type. More nuanced controls allow you to play to your strengths and master

Features Key:

- Unprecedented control of ball movement with intelligent assist systems
- New passing system makes it simple and fun to play like a Pro
- Acting all the way out to the 18th century means more ambience in your games
- The Story of Seasons brings much more depth to it's world by adding a grow-your-own type of Farming to it's gameplay.
- As characters age, your bond with them will grow
- There is a powerful leader/jester class
- The story of the seasons is a great change to the always same dull storyline from anime game, which they always have nice characters but you rarely see them during gameplay.
- The art direction for the characters also makes the game look more awesome. For example at the start of a new area no one is in anyway interesting when you walk into the town.
- Since it's on the PSP there are things like analog buttons and knobs on screen which make the player feel more connected to the game since they're like real controllers.
- The characters are all told to have a more likeable and exciting personality, even the Seiros Brotherhood's main character Eri - the fortune teller.
- Plus tournaments with the village will be something new and interesting to battle against other playable characters

PS3 specific features:

- Commentating and Live Commentary at high quality 1080P HD
- Bright animated title credits
- Real player likeness and high speed controls
- 50 official players to choose from
- 160 hours of gameplay
- Fully detailed faces, hands, feet, and body proportions
- Dynamic smoke and fire effects

What's new in Fifa 22:

- **NEW ERA** - FIFA Ultimate Team brings the football world into the 21st century with a game where the fans build the clubs, the players can finally build their legacy, and the manager can evolve over a lifetime of epic battles.
- **NEW FOOTBALL BUBBLE** - The game of tactics is also in a state of evolution, with the ability to invent the biggest and most off-the-wall moves of all time, lock down your opponent from the back, defend the overlap perfectly, and create goals from nothing.
- **ENGINE** - We’ve taken another step up in engine on the game, to provide the most realistic, thrilling, authentic football experience possible.
- **SYNCHRONIZED LIGUE 1** - FIFA is committed to making football, English football in particular, a global success story and **SYNCHRONIZED LIGUE 1**, or **L1**, is a big step in our journey of making football a true global sport. **L1** will be the top tier of the game alongside **FIFA 21**, where we can showcase outstanding quality soccer simulations of the highest level of the game that fans will be excited by.
- **PLAYERS** - We’ve incorporated another first for the FIFA franchise to bring players to life in dynamic, cinematic cutscenes where they really feel like you’re the one in control.
- **TOUCH** - Touch embodies the art of modern touch tech, merging the controller and screen into one, a truly unrivalled experience.
- **ONLINE & MOBILE** - Online and mobile accounts will be supported, giving you the flexibility to access and play FIFA on any online service of your choice.
- **PLAY DIRECTLY ON SNOOKER** - We’re bringing the most trusted table tennis action to football, with the addition of snooker-like “shot pots” to the game.
- **FRANCHISE PRO** - This tournament levels of management will have dedicated teams, a franchise system, making it easier for you to compete in the international professional scene.
- **PRIVATE CONCACAF** - Brazil’s Chapecoense, and Mexico’s Club Tijuana, are now real clubs
