Description Description What's up, my name is Sara and today I am here with Zombidle, and I am writing a review of the game. I am going to give my overall opinion of the game and what I think about it. Overall Opinion I think this game is OK. I like this game but I don't play it that often because it's just not that fun. Pros The graphics are good, its fun if you go it alone but not that good if you are with a friend There's a lot of things that you can do, you can play the games in the shops or in King of the Hill, or if you win you can win rewards like hats The most important thing is that there are two gamemodes, Capture and King
