The stars are falling, and the civilization which has existed for decades has reached the breaking point. Nearing the end of its life, the last stargate has sent a few last messages to the Federation requesting help. Now humanity is faced with the most serious of decisions: will they build a new colony, leave the planet to a strange extraterrestrial race or join together and search for a new star? Polaris Sector is a tactical space 4X space strategy game. It puts you in charge of a fledgling star-faring civilization as you discover and colonize the stars, plan and execute resource gathering missions, support your colonists with research and development, and then deploy them to explore, settle, and terraform a galaxy of stars. Polaris Sector features a vast and diverse galaxy of stars with 8 main star types each with its own characteristics. This unique approach allows players to attempt to colonize every single planet type that exists in the galaxy. Every colonized planet type has its own history, resources, environment, and faction. Players can strive to create their own unique space colony- a legacy that lasts long after the game ends. Key Features: An intense space 4X strategy game on a galactic scale Detailed stats and full historical context allow players to form their own opinions about each colony Hundreds of unique resources for your colonizing efforts Hundreds of alien species with their own unique personalities and beliefs Play with 8 main star types each with its own unique culture, resources, history, and civ characteristics An evolving space race to claim the fastest stars Colonize 8 different types of planets: Jovian planets: massive gas giants Neptunian planets: ice giants Cenarion planets: rocky supercities Ganymede planets: metallic asteroids Oortian planets: flaming worlds Roche: fragile worlds Roche: unachievable worlds Chthonian planets: toxic worlds Players can tackle the stars in multiple game modes: Singleplayer Campaign 8 player vs 8 player online multiplayer Classic versus AI Global and local multiplayer Teamwork/Pass-and-Move multiplayer Innovative new game features: Perk unlocked every mission Player built ship and spaceport Independent path to alien research Canvas style UI New 3D models for hundreds of alien species

"Roll the Bones" is a GM-less pen and paper RPG for Fantasy Grounds version 3.3.6 and higher. You don't need to buy anything: all the game's tools and content are FREE, including the player's tokens, monsters, creatures, spells, etc. The game is based on a hybrid of the popular, high-level dice-rolling "Dungeons & Dragons" and the high-level adventure-generating fantasy boardgame "Victorian Fantasy." Played in-game: Roll the Bones is a Chinese-style dice game with dozens of dice, colorful counters, and a large game board. A GM-less game, the players roll the dice themselves, controlled by the Game Master (GM) to generate clues, dangers, and other events as the stories unfold. Players use their unique (monstrous) tokens (sold separately) to play their characters in a series of adventures, monsters, monsters and more monsters. Played on Fantasy Grounds: Use Fantasy Grounds in any of its many platforms (Windows, OS X, Linux, iOS, Android, and SteamOS) to play online, or play it offline locally. Fantasy Grounds includes everything needed for you to run the game locally on your Windows PC, Apple Mac, or Linux Mint machine. System Requirements: Windows 8 or higher, including Windows 7 and Vista; Linux/Debian/Ubuntu; Android 4.4.x; iOS 10.x; OS X 10.11.x, 10.10.x; or newer. Rakugakushonkai yomata" (A Diary of Lightning-Strike [Spell-Binding]) (The author's official declaration: Please correct my mistakes!) It was probably during the summer vacation of 1925 that I made my pilgrimage of the Plain. One day, I happened to visit the mountain village of Higashi-Aragami and happened upon the house of "Old Takakoi", the expert in clairvoyance. I at once felt intrigued and approached the house. Old Takakoi was a peasant. He was sixty-nine or seventy. His spouse and daughter were deceased. Besides this his son still lived in Tokyo but didn't come often. [Apparently he spent most of his time fooling around with spirits and magic.] "Old Takakoi, I ask you, can you foretell the future?" With a**

wry smile, he replied: “You shouldn’t ask that question. If you do I’ll be forced to become a renegade.” During the rest of our conversation, I informed him my concerns with regard to the education of my own son, a high school student. Our conversation went on for quite some time, very inquisitively, and I made it quite plain that I intended to request a miracle. Although Old Takakoi didn’t refuse my request, he wanted to know my reason for desire to know. A little troubled, I was forced to bring out this reason by telling him that my son was physically weak. If someone like him took my son under his care, I would be eager to do the same for my
