Praise "Thanks to the other girls and the Program Assistant, I was able to attend and enjoy most of my classes and was still able to work. I am thankful for the therapists that work so diligently to create a program that is beneficial to the girls that attend."

Ask HN: can google+ keep a secret? - karim If I use their [API]>

1.1/comments/list?url={url}>1.1/comments/list?url={url}&> can they read my comments in another space? ===== jamesjguthrie I'm pretty sure it would since they share data between users. There are so many APIs in Google+ right now that allow you to do anything really. I have tested a number of them myself and nothing shows any information to a specific space. 2,000-year-old warning from Rome to Christians Rome: In a 2,000-year-old text found in a church in Italy, Rome warned Christians to take precautions while fighting their enemies. (Photo: AP) Rome: In a 2,000-year-old text found in a church in Italy, Rome warned Christians to take precautions while fighting their enemies. The 2,000-year-old text, dating back to about the year 150 CE, was found on a limestone plaque which once hung in the church of Santa Maria in Cosmedin, and was published on Monday in the British newspaper The Daily Telegraph. The text, placed in the church to warn Christians fighting against fellow Christians, warned against too much victory and against making too much noise in the battle. The Romans warned against "riotous disorder" and "such excessive glory", according to the newspaper, which quoted British historian Christian Davenport, who is a member of a team from the University of Cambridge that found the text.
