Peacemaker (The Revelations Cycle Book 6) Kevin Ikenberry

in the near future, the remains of the human race have been given a second chance to get a fresh start. after the fall of the long night and the creation of helios in

the battle for sanity, the world was split between the elysian, built on the oceans of eden, and the savage frontier, built across the ruins of the ancient old world, a new hope has arisen in the form of sansar, a computer created by terra, the remaining half of the human race that resided on the planet earth, after the long night. terra created sansar as a legacy, and left most of her designs to the company known as synchro, now led by jeremy, her husband of many years. synchro is now called elysian creations. and it is no longer just a company, but a city. terra has raised children of all races, and created a paradise for them where they can escape the prejudice of the savage frontier and even other races she felt the elysian republic was building hostility towards. but can the new world stand against the forces of the horde? will the rest of the world find a way to work together against the darkness? and can sansar protect terra's

legacy? this is the first book in a new miniseries called peacemaker. a series of books will start here, and continue on with books by a group of contributors. stories will include an assortment of locations. the first book is called peacemaker, and takes place on a human world that has been taken over by aliens that do not have the usual scaly kind and they are taking their revenge on all the races of the world, who are on earths surface. humanity has only been defended by armed mercenaries in this book, then there is honor the threat, which takes place on a normal human planet where there are interstellar wars going on between one alien race and another. and justice for all, which takes place on a world that has been destroyed by an ancient meteor. and frost is falling, which takes place on a world where the races have been separated by a giant wall to keep them safe. and bridge is burning, which takes place on a world where the

humans has been split up into islands because of a super-dimensional anomaly that has been turned into a dragon fortress, and call to arms, which takes place on a world that has been transformed into a magical kingdom, where it appears almost magical, and theyre ready to take on the rest of the world. and power is rising, which takes place on a world where the imperial star empire has taken over all of the planets, and the locals are often unruly to fight, and final judgment, which takes place on a world where the humans are hiding in the shadows, and its only a matter of time until its all over. 5ec8ef588b
