
Anno 1404 English Language Pack \\/TOP\\\/\\

venice was originally announced in october 2008 as an update to anno 1403s deluxe edition. it was to be a free expansion pack, and it was to contain new buildings, new game content, and new game mechanics such as trade agreements, which was to introduce a second resource type, and increase trade limits. it was a prequel to anno 1404, and was to be called anno 1404 expansion pack. [2] unlike other expansion packs, venice was never officially released, although it was available to download from the official website until the releases of the deluxe edition and anno 1404 history edition, but it has not been updated since then. [3] in the meantime, the community has discovered that the venice expansion is not only available as a separate download, but it also appears to have been released on disc by ea as part of the anno 1404 history edition in 2011. the exact content varies between these versions, but they appear to be identical. [4] anno 1404 history edition is the latest version of the anno 1404 series of city-building games, and it includes several new features. the deluxe edition has been completely overhauled with new graphics and interface, and a whole new game mode that lets you play across multiple time periods. anno 1404 history edition includes venice, as well as many other additions and fixes, and a comprehensive online service that will ensure you can continue your game in the future.
