Get the help you need to make the correct decisions about the looks you want to achieve with your furniture and the fabrics you need to achieve them. Request A Catalog How does it work? The idea of having to be at the store the day of delivery is a barrier many customers, no matter how reasonable they are, find impassable. You can be at home, and the driver can be at the door. And the delivery is charged for, by the hour. Interactive Delivery Service If you do NOT see what you want, please call. We can make sure the item will fit in your home, and if it won't, we can offer other options in similar or larger size and price range. If you decide to place the order, we will send you a free catalog, which will include dimensions to help you figure out if you can fit it in the room you have. A workable, affordable and practical solution to the "roadblock" in your way to achieving perfect looks. What's included in the delivery service? Your items are delivered to the front door of the customer and carried in. This is a time of one hour maximum, and you are responsible for any time after that. The driver will have no additional time on site. If you are out or busy during the time of delivery, you can accept, cancel, or reschedule your delivery at your discretion. You can also reject the delivery
